

TEDAMOH AS A SERVICE

To support your BI team in their daily questions and problem finding, TEDAMOH offers Coaching in different variants: **On Demand Coaching** and **Intensive Coaching** - advice and coaching on a regular, flexible basis. Together we clarify your **specific needs and create an individual offer** for On Demand Coaching or Intensive Coaching.

ON DEMAND COACHING

On Demand Coaching offers four options. You can request help at any time and independently of scheduled appointments via the TEDAMOH HelpDesk. This way your BI team is never constrained in their productivity.

Economy

Get advice on questions via **HelpDesk** with a response time of **one week**.

Premium

Get advice on questions via **HelpDesk** with a response time of **two days**.

Premium Plus

Get advice on questions via **HelpDesk, phone, or video call** with a response time of **two days**.

Exclusive

Get advice on questions via **HelpDesk, phone or video call** with a response time of **two hours**.

INTENSIVE COACHING

We meet regularly for up to three months to work intensively on the agreed upon goals, we regularly create homework assignments, review progress, and practice newly acquired skills. Think of this as a tailor-made learning curriculum.

The Intensive Coaching may also include On Demand Coaching (Exclusive). This way your BI team is enabled to produce at maximum speed. Their daily questions and problem resolutions are incorporated in this proposition, at any time and independent of scheduled appointments. This way both you and your BI team, get maximum support.
